

Coniston Way Slate Effect Tiles

1200x300x9mm

Coniston Way Slate Effect Tiles are inspired by the natural slate they emulate from Cumbria. They are available in a large format porcelain plank, with a matt finish. They have contemporary grey colouring with elegant veining and fossiling. There are 8 variations suitable for use inside the home on floors in various areas such as bathroom, kitchen, living area or hallway and can be used with underfloor heating. They have an anti slip finish of R9.

There are 2.77 tiles per sqm, tiles are supplied on a random basis, see below for all possible designs)
