Zellij Tiles 442x442x10mm

Create an eye-catching display in your home with these Zellij Tiles. The high-quality glazed porcelain is ink jet printed; giving a crisp and clean design.

There are 7 tiles in each pack, each with 4 different designs on them to give your kitchen, bathroom or living area a unique look about it. (This product consists of 26 different designs, supplied on a random basis. See below for all possible designs.)

You will need to use a 1mm joint space and '*Mapei Ultracolor Plus 110 Manhattan Grout*' to match spacing and colour in the pattern of the tiles.
