Tile Variations

rustic blue plank 600x150x11mm

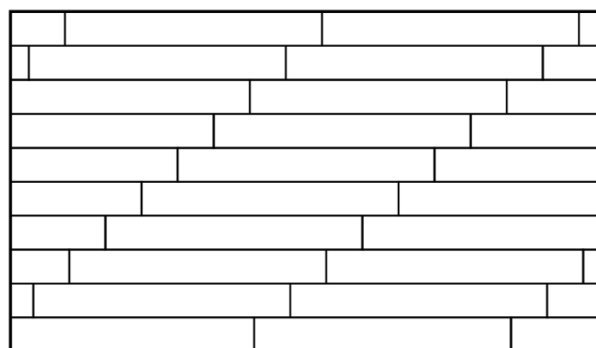

Piece together a striking, eye-catching floor display in your interiors with the introduction of these Rustic Blue Wood Plank Tiles. They consist of a reclaimed, aged, weathered wood effect design; some of which with a faded painted appearance. The designs vary from one tile to the next; allowing you to piece together a heavily varied floor display in a bathroom, kitchen, hallway, living room, or bedroom.

This product consists of 8 different designs, supplied on a random basis. See below for all possible designs.
